Final External Auditor Report and Certificate 2021/22 in respect of Great Blakenham Parish Council SF0163

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2021/22

On 28 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

- The smaller authority failed to approve the AGAR in time to publish it before 1 July 2022, the date required by the Accounts and Audit Regulations 2015, and did not disclose this by answering 'No' to Section 1, Box 1.
- The smaller authority was issued a public interest report (PIR) for non-submission of the AGAR for the 2020/21 year on 04/02/22. Where a PIR is issued, the Local Audit and Accountability Act 2014 (the Act) requires the authority to consider the PIR at a public meeting within one month of the date it was issued. The smaller authority did not provide evidence that a public meeting was held. Hence the response to Section 1, Assertion 3 should have been 'No'.
- Section 2 has not been prepared in accordance with proper practices. The Chair has signed Section 2 twice, as RFO and as Chair. If the Chair has temporarily been acting as RFO, then another member should sign on behalf of the smaller authority. Please ensure that an RFO is appointed in line with section 151 of the Local Government Act 1972 as soon as possible.
- Section 1, Assertion 4 has been incorrectly completed, the response should be 'No'. The smaller authority was issued a PIR for 2020/21 and therefore did not make proper provision during the year 2021/22 for the exercise of public rights. This is consistent with the Internal Auditor's response to Internal Control Objective M.

Other matters not affecting our opinion which we draw to the attention of the authority:

- In the prior year, the smaller authority did not submit an AGAR for our review and we issued a public interest report regarding this failure. As a result, we have not reviewed any evidence to support the prior year comparatives on the AGAR.
- We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2022/23 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July and the approval date was after the start of the period. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2022/23 and ensure that it makes proper provision for the exercise of public rights during 2023/24.
- The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Boxes 3, 4 and 7 of Section 2.
- The internal auditor is not independent of the financial decision making, management and control of the smaller authority and the smaller authority must disclose this by answering 'No' to Assertion 6 of the Annual Governance Statement on the 2022/23 AGAR. The individual who carried out the internal audit was the Clerk and Responsible Financial Officer during the same period. In future years, the smaller authority must maintain an independent system of internal audit of the accounting records and control systems.
- The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests. Any earmarked reserves should be considered and formally approved by the smaller authority.

External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has submitted its AGAR and supporting documentation prior to 30 September 2022; however, we have not been able to complete our review work in time to enable to smaller authority to publish the required documentation in line with statutory requirements. Once we have completed our review a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.
